12. The enrollment instructions will display. Within the instructions is the URL you will need to enroll and activate mobile banking on your device.

Enrollment Instructions [Print Activation Instructions](#)

---

To start, you'll need to enroll for banking on your mobile phone. Enrolling ensures a secure association with your phone. It's easy, just follow these steps:

- 1 Get Mobile Banking message.**
  - If you are activating Mobile Banking, you will receive a confirmation message containing a Mobile Banking link (URL).
  - If you have not received the message, you may also type the following URL directly in your phone browser: https://m.mbanking-services.mobi/wap/home/beb149/en.
- 2 Go to Mobile Banking URL.**
  - Select the link to launch your phone browser and follow the mobile web site instructions to enroll in Mobile Banking.
  - If you are re-activating Mobile Banking on this phone, you may also type the following URL directly in your phone browser: https://m.mbanking-services.mobi/wap/home/beb149/en.

**Note:** *If the user is adding a device capable of SMS text messaging, the enrollment URL will be delivered to them via an SMS message after adding the device to the Mobile Banking Center screen. Users adding an Other/iPod Touch type of device will not receive an SMS message and need to navigate to the displayed enrollment URL via their device browser.*
